

BLOODSTAINS

Em D C
Mocked and flogged while your blood stained the ground.

Em D Am7
Crucify crucify. Such an unholy sound.

Em D C Am7
Grace and truth You brought. Rejection You received.

C/B C D
Many people used You but few truly believed.

Em D C
To think that I would be one of the pharisees.

Em D Am7
To know that I would have done the same.

Em D Am7
To see that I can be grateful on my knees.

C D
To understand that I am free from blame.

CHORUS-

G D C
Your blood stains my life with forgiveness and mercy.

G D C
Your blood stains my life and through You I am worthy.

Em D C
Your blood stains my life with unwashable love.

Am7 C/B C
And of You I just can't get enough

D C/D
because Your blood stains my life.

Em D C Em
Scourged and insulted while You didn't speak.

D Am7
Look at Him. He's not the Messiah. He is weak.

Em D C Em
Suffering on the cross You forgave the ignorance of the mind.

D Am7 Em
Clothes divided. Your name derided. You knew we were blind.

D C
To think that You endured all these pains.
