Am Fmaj7 G Em Am  
How I long for you. How I desire you.  
Fmaj7 G Em Fmaj7  
I have seen you from the beginning of creation.  
Em Fmaj7 Em Fmaj7  
And I have longed for you. There's none like you.  
Em Am Fmaj7 G Em Am  
I long for you. You're my only one.  
Fmaj7 G Em Am  
My Father designed you for me. I gave up my flesh for you.  
Fmaj7 G Em Am Fmaj7 G Em  
I was beaten and battered and bruised. I'm continually ridiculed, and scorned.  
Fmaj7 E7 Am Fmaj7 G Em  
Spit on and mocked, shredded and torn. My blood lay all around.  
Fmaj7 Em Fmaj7 Em Fmaj7 Em  
You are my bride. So spotless and white. Perfect in form and beauty.  
D Fmaj7 Em Fmaj7 Em Fmaj7  
Whole and complete. Molded to fit me. So perfectly.  
Em Am Fmaj7 G Em Fmaj7 Em Fmaj7  
Oh how I long for you. I've seen you as you will be.  
Em Fmaj7 Em D/E Fmaj7  
And yet I can't have you with me. You are married to the world.  
Em Fmaj7 Em Fmaj7  
You're connected to the wrong one. Bonded to all that is not of me.  
Em Am Fmaj7 G Em Am Fmaj7  
One flesh with that which I despise. I've called you out.  
G Am Fmaj7 G Em Am  
I've called you by name. Dear heart why wont you come again?  
Fmaj7 G Em Fmaj7 G Am  
What ties you to the world? How long must I wait? How I long for you.  
Fmaj7 G Em Am Fmaj7 G Em Fmaj7 Em Fmaj7  
My tears flow all around.  
Em Fmaj7 Em Fmaj7  
My joy is gone without you. I find no friendship no solace no comfort and no

peace. Without you I am incomplete. Oh so empty. How I long for

you. Where are you my bride? Where are you my love? Where are

you dear heart?
