

WARNING!

DANGER! DANGER!

Proceed at your own caution!

We will NOT be responsible for ANYTHING that happens from here forward. You have been warned.

We want you to be ABSOLUTELY clear that this is FOR SURE, NO DOUBT ABOUT IT going to hurt A LOT.

You can drive 20 miles an hour and you probably won't get hurt too bad in an accident. If you drive 200 miles an hour and you make a mistake, it's going to get really ugly.

This IS NOT for sissies!

If you have ANY desire in you to slow down, DO IT NOW!
DO NOT GO THIS WAY!! DO NOT take our advice on this stuff!!
It will totally transform your life and things you love will be ripped from you.
Nothing – NOTHING – that you have will be your own any more.
So He can rebuild you His way, God will IMMEDIATELY start yanking chunks out of you. Probably stuff you really liked. The fire will get VERY hot!

If you even so much as TRY to do this in your own power, you're gonna be toast!
ONLY Jesus in you can get you through this.

**Last chance. Get out now! ALL the darkness WILL come for you!
We've seen it over and over. We ARE NOT kidding around!
If you miss a step you could end up on crack or beating your wife or drinking like a fish or in jail. We've seen it happen to good, Jesus-loving people who weren't all the way sold out. God will get you through, but it will hurt even more if you bail out. You BETTER mean it! We're serious.**

We love you very much. We want to see you refined and purified and REALLY dangerous to the enemy, but we want you to be FULLY READY before you pull into the Fast Lane!
