Or reach out to the person that gave you this:

Have you ever even been FULL ALL THE WAY? Do you know the peace that passes understanding? Do you remember feeling like Superman and that everything was right with the world and NOTHING could pull you back down into the dirt of this nasty mudball?

That's the way it OUGHT to be all the time. That's the way it is for some of us that really walk right with God. It's not about "church" or "religion" - it's about a personal relationship with a real Jesus, who bled and died and rose again so we could be FREE! And He can commune with you DAILY and help fight your battles. For real! THAT is the Good News.

If you're in the hospital and they've given up and you REALLY need a miracle, which of these people do you want to pray for you?

# How To Get Your CUP SO Full of JESUS That Nothing Else Can Fit!

When you're little there is just YOU in your cup, but at some point, you learn to LIE and the RED stuff gets in. Then it's just a constant fight between you and temptations, fears, generational curses and everything else trying to hurt you.

But the World likes to keep you all shook up. America is the capital of drive-thru, microwave, quick-quick, busy-busy. 50% of Pastors say they are so busy with their meetings that they don't have time to pray. 50% of Pastors are addicted to PORN, too. (Might be the same 50%!) You've got to turn off the noise and get quiet! LISTEN! Let the layers settle out so you can know what's going on in your cup.

But once you can show that you're a good steward of your cup and can keep it cleaned out, then He is going to start looking for pieces of YOU to crucify daily. After all, YOU are the one that keeps inviting the red stuff in! So as you decrease and He increases, there is more spiritual power to resist sin and He can use you in greater and greater ways.

If you get Jesus, then He stands in between You and Sin and warns you about it and tries to protect you from it.

If you listen to Jesus and obey, then there is less and less Sin and more and more of Him in your cup.

You really can get all the red stuff out. Jesus says, "Though your sins are as scarlet, I will wash them white as snow." (Isaiah 1:18)

He says that, "If we confess our sins, He is faithful and just to cleanse us of all unrighteousness." (1 John 1:9)  
We're to clean the outside AND the inside of the cup (Matt. 23:26).

So maybe you could pray something like this:

**Dear Jesus, I know I'm not all I should be. I'm so sorry for all the bad things I've let in. I'm not even sure what they all are, but I'm sorry and I'm asking You to clean me up, fill me up and take over my life. Fill me all the way full with your Holy Spirit and empower me to obey. Give me LIBERTY so that I can be FREE of all the chains that have bound me in the past. I want you to be LORD of my life and direct all my paths. If you'll help, I'll try harder to keep my cup full – not to earn a reward or to prove anything, but just because You know best and You are worthy. I pray this in faith and with gratitude in advance, straight to the Father, in the Name of Jesus Christ, Amen.**

Which one does God want YOU to be?  
**Same one, right?**

When do you think God wants you to be that one?  
**Like yesterday, right?**

**So which one are you really?**

OUCH!

If you ask Him for a bigger cup, He may just answer and enlarge your tent (Isaiah 54:2). He is infinite, but You are finite. So there will be more and more of HIM until you're like a little shrimp under the Pacific

Ocean and can barely get in His way at all. That's when people can't hardly recognize you anymore. Where Jesus just comes out of your mouth and you didn't even try. Where He fights your battles and you just KNOW everything is gonna be alright. THIS is Liberty. THIS is victory. THESE are the Overcomers. (Revelation 2 & 3)
