

There is a pipeline of information that flows between YOU and GOD.

If it's clogged up, it's because YOU put stuff there.

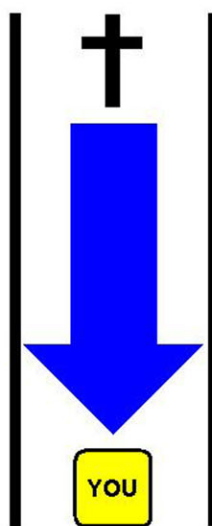

Anything you put between YOU and GOD is an idol. Messages from Him have to filter through or around those clogs. They could be fear, anger, unforgiveness, addiction, lust, a person, money - even the pastor! A belief that God CAN'T talk to you will clog you up a LOT! Just say you're sorry and He'll scrub it out.
